

*Hamstreet & Associates helps other businesses recognize problem areas, rebuild the foundations of financial success, and restore value.*

## Outstanding Results

Hamstreet & Associates is a business and turnaround consulting firm that specializes in improving the financial results of underperforming companies. Through effective business assessment, crisis management, cost analysis, increased operational efficiency, financial restructuring, and corporate reorganization, Hamstreet & Associates consistently achieves outstanding results. Our highly skilled, experienced professionals serve clients with the passionate commitment and integrity they deserve.

## Invaluable Aid in Times of Crisis

Running a company well in normal conditions may not equip management to deal with the exceptional stress of troubled times. When a crisis does occur, expert aid can be invaluable. Financial uncertainty is well-charted territory for Hamstreet & Associates. We strive to help companies emerge with confidence from imperiled positions. When we go to work for a client, we bring our decades of industry experience and our third-party impartiality. We bring the courage to speak the facts and follow through on tough decisions. We bring our committed desire to rescue the livelihoods of workers and communities. For us, no job is routine. Through our efforts to step into the shoes of our clients, we give each assignment everything we have to forge a successful result.

## Practice Areas

Hamstreet & Associates offers five principal practice areas:

### *Advisory Services*

From time to time, all companies encounter questions they cannot answer effectively using internal resources. Hamstreet & Associates' uniquely multidimensional team of advisors offers expert insight on a full range of financial, operational, and marketplace issues.

### *Business Assessment*

Whether seeking to clarify where a company stands or to uncover the

reasons for unsatisfactory economic results, business assessments can yield eye-opening information and play an indispensable role in future financial success. Hamstreet & Associates prides itself on performing assessments rapidly, accurately, and honestly. Our insightful reports assist senior management, lenders, investors, and other stakeholders to perceive the truth about a company's financial situation.

### *Financial Restructuring*

Crisis situations may brew slowly, but once visible they often surge quickly out of control. Hamstreet & Associates'

financial consultants possess special expertise in rapidly assessing, stabilizing, and managing crisis. Our restructuring professionals work skillfully with the client, lenders, and other parties to produce and implement creative, comprehensive financial strategies that answer present demands and lay the groundwork for meeting future challenges.

### **Operational Turnaround**

Most troubled companies struggle with operational issues in addition to cash flow problems and excess debt. With decades of experience in repairing operations, Hamstreet & Associates has engineered some of the most remarkable turnarounds in the industry. By addressing operational and financial concerns side-by-side, Hamstreet & Associates achieves dramatic results and distinguishes itself from the many consultants who take an exclusively financial approach.

### **Interim Management**

Hamstreet & Associates' multi-disciplined staff of advisors includes a high proportion of senior executives with diverse industry experience at major regional, national, and international corporations. Our principals and consultants frequently serve as CEO, CRO, CFO, and COO. With extensive practical, hands-on experience managing firms in the real world, our consultants specialize not only in running what already works, but also in fixing what doesn't.

## **Principal**

### **Clyde A. Hamstreet**

Clyde Hamstreet has been a leading figure in the national turnaround industry for more than 14 years, with over 20

years' experience in business consulting and restructuring. With expertise in corporate finance, management, and governance, Mr. Hamstreet is well known in the industry for creative, win-win solutions that build consensus among diverse groups of stakeholders. Serving in capacities including CEO, CRO, CFO, President, and Director, he has successfully restructured scores of large and mid-sized companies and led numerous initiatives to restore underperforming firms to profitability.

Clyde Hamstreet has twice won top honors from the 10,000 member National Turnaround Management Association for his work.

- 2005 Turnaround of the Year Award—Mega Company. This award honors Hamstreet's work on behalf of the \$1.5 billion Southern States Cooperative.
- 1994 Turnaround Practitioner of the Year for his work with Warm Springs Forest Products Industries.

## **What Our Clients Say**

*The Board of Directors of Southern States Cooperative, Incorporated expresses its appreciation to Clyde A. Hamstreet for his leadership and counsel to the Board and management and recognizes his extraordinary insight and leadership in effecting a remarkable turnaround which is reflected in the improved finances and operations of this Cooperative.*

—Board of Directors,  
Southern States Cooperative

*A Consumer Products Safety Commission recall drove our company into bankruptcy and many felt our 40 successful years in business were over. One of our best business decisions in this crisis was to hire Clyde Hamstreet. His persistence, creativity, and commitment to our firm guided us past one obstacle after another. Under his direction we developed a comprehensive restructuring plan that used government regulations to our advantage and reestablished our valued customer and creditor relationships. I would enthusiastically recommend Hamstreet & Associates to any business threatened by financial crisis.*

—Hutch Johnson, President,  
Cadet Manufacturing Co.
